Re: CCRTIS Accreditation

Reliability Screening Solutions Inc. has successfully completed the Canadian Criminal Real Time Identification Services (CCRTIS) Accreditation Process, which authorizes your company to capture the fingerprints of your clients for Criminal Record verification (non-criminal purposes only) at the following site location: **116 Albert St. Unit 308, Ottawa, ON K1P 5G3.**

CCRTIS Accreditation assesses the security and administrative operations of private organizations that intend to take fingerprints for non-criminal purposes. Upon completing accreditation, ongoing business activities, such as CCRTIS renewal of personnel security clearances; physical site inspections; and periodic auditing measures, are conducted to help ensure that accredited organizations continue to process non-criminal fingerprints in accordance with CCRTIS Accreditation standards. Reliability Screening Solutions Inc. must comply with the aforementioned requirements to retain your status as an accredited private organization. Reliability Screening Solutions Inc. is authorized to operate as an affiliate connected through Reliability Screening Solutions Inc.'s direct connect location at 2934 Baseline Road, and is certified to submit electronic fingerprint transactions (non-criminal purposes) to CCRTIS via the Reliability Screening Solutions Inc. Server.

We look forward to working with your company to uphold the quality and integrity of non-criminal fingerprint identification services in Canada.

Sincerely,

Superintendent Dan Jakel, Criminal Records Respository Operations
